## GENERAL INFORMATION AND GRANT REQUEST GUIDELINES

---

### ABOUT THE JOHN M. O'QUINN FOUNDATION

John M. O'Quinn (1941-2009) established The John M. O'Quinn Foundation (the "Foundation") in 1986. With his death in 2009, Mr. O'Quinn bequeathed his entire estate under his will to the Foundation. From its inception through November 2012, the Foundation has awarded more than \$94 million in grants, most of which have been awarded within the State of Texas with a special emphasis on the Houston area, Mr. O'Quinn's home since his youth. Although the Foundation supports a wide variety of charitable activities, in honoring Mr. O'Quinn's legacy, the Board of Trustees has continued the Foundation's predominant focus of support in the Houston and surrounding areas for education, health, environment, medical-related projects, and programs benefitting underprivileged youth.

The Trustees of the Foundation are Robert C. Wilson III, Michael J. Lowenberg, David A. Ott, M.D., Corbin J. Robertson III, and Anette Edens, Ph.D. **Please direct all inquiries to Mick Pritchett at (713) 871-5860 or [mick@oquinnfoundation.org](mailto:mick@oquinnfoundation.org).**

### 2018 TRUSTEE MEETINGS AND GRANT REQUEST SUBMISSION DEADLINES

The Board of Trustees meet quarterly to consider grant request submissions. Grant requests must be received no later than 5:00 p.m. on

- (i) March 1 for consideration at the March 27 meeting,
- (ii) June 1 for consideration at the June 26 meeting,
- (iii) September 1 for consideration at the September 25 meeting, and
- (iv) November 1 for consideration at the December 11 meeting.

Any grant requests submitted prior to a quarterly meeting but after the submission deadline for such meeting will be considered at the following Trustees' quarterly meeting. In addition, consideration of grant requests that are incomplete at the time of submission or for which the Foundation determines additional information or documentation is needed may be delayed. Therefore, if your organization's funding is needed by a specific date, your grant request should be submitted well in advance of the deadline to allow time should the Foundation need additional information or documentation.

### GRANT SUBMISSION GUIDELINES
